Respected Sir,

Subject: Request for Approval to Conduct the Event "Canvas Craft" –
Regarding

On behalf of the Campus Creative Club, we respectfully request your kind approval to organize an event titled **"CANVAS CRAFT"** on **25-07-2026 (10:00am to 5:00pm)**. The event aims to promote creativity, innovation, collaboration, and effective communication skills among students-competencies that are essential in today's professional landscape. The program will be graced by our Chief Guest, **Deva Vinayagam. G (Founder and CEO, Devcutz)** who will address and guide the students during the inauguration.

- ✓ **Round 1: Theme-Based Design Challenge:** There will be 50 participating teams. At the beginning of the round, 5 unique themes will be announced. Each team must choose one of the available themes. A maximum of 10 teams can select the same theme (5 themes × 10 teams = 50 teams). Teams will create a design/template based on their selected theme within the given time limit.
- ✓ **Round 2: Common Theme Challenge:** The 10 shortlisted teams will compete in the final round. A single common theme will be revealed at the start of the round.

All finalists must create a new design/template based on this theme within the allotted time. These activities will enhance students' creativity, presentation skills, teamwork, strategic thinking, and real-world communication abilities. Finally, they will be organized to validate the learning outcomes, and the best-performing teams will be recognized and rewarded.

We further request approval to conduct this event under the Non-CGPA Group III Category with a nominal registration fee of **₹150** per student to cover expenses. We look forward to your kind approval.
